

**Moral
and Civic
Education
Student
Committee**

Purpose

Individuals and Groups

To enable students to understand the rights and obligations of individuals within groups.
To enable students to understand the relationship between individuals and groups (e.g. family, neighboring communities, the regional communities, the nation, and even the world).

Values Cultivation

Foster a positive attitude towards life and promote correct values among students.

Sense of Belonging

Develop a sense of belonging to society and the community among students.

Social Contribution

Contribute to improving society, the country, and the world.

Our School's 6 Core Values

 **Thanksgiving**

Be grateful, give back to society

 **Respect**

Respect others, embrace differences

 **Perseverance**

Persevere, bravely face challenges

 **Conscientiousness**

Take responsibility, fulfill obligations

 **Self-discipline**

Self-restraint, self-management

 **Integrity**

Be honest and consistent in words and deeds

Committee Members

Moral Education Activities

▲ We organised a Fun Day in collaboration with the Methodist Epworth Village Community Centre for elderly residents, where our committee members interacted with them through games and conversation.

▲ We invited the Watoto choir to a lunchtime concert and a friendly football match, during which our committee members shared lunch with the children.

Environmental Activities

▲ We organised a recycling competition to encourage students to protect the environment by collecting plastic water bottles.

Each year, after the Mid-Autumn Festival, surplus mooncakes are collected for Food Angel, and containers are gathered for GREEN@COMMUNITY, recycling resources from our school community to reduce environmental impact.
